INGREDIENTS

Monocalcium Phosphate, Dicalcium Phosphate, Calcium Carbonate, Salt, Processed Grain Byproducts, Yeast Culture, Sodium Selenite, Molasses Products, Magnesium Oxide, Mineral Oil, Calcium Silicate, Calcium Salts of Long Chain Fatty Acids, Silicon Dioxide, Zinc Amino Acid Complex, Copper Amino Acid Complex, Cobalt Carbonate, Ethylenediamine Dihydriodide, Ferrous Sulfate, Manganese Sulfate, Sodium molybdate, Zinc Sulfate, Vitamin A Supplement, Vitamin D3 Supplement, Vitamin E Supplement, and Natural and Artificial Flavors Added.

FEEDING DIRECTIONS

16-8 GOAT MINERAL PLUS is designed to supplement goat rations with macro and micro minerals. It may be fed either free choice or mixed with other feed. When feeding 16-8 GOAT MINERAL PLUS free choice, a covered mineral feeder is recommended to protect the mineral from the weather.

Consumption will vary with the type of ration being fed and the individual appetites of animals. With most feeding conditions, consumption should be approximately 0.5 to 0.75 ounces/hd/day. If consumption is excessive, offer additional salt free choice in a separate feeder. If less than desired, remove supplemental salt. Fresh, clean water should be available at all times.

CAUTION: Follow label directions. The addition to feed of higher levels of this premix containing selenium is not permitted. DO NOT FEED TO SHEEP.

Contains Xtra-Dry®-a weatherizing agent.

2550.
